PROCESS CONTROL SYSTEMS

## Measure Control Inform

# F A C T S

Factory  
Automation  
Controls &  
Technical  
Services

**FACTS** has the experience, skills and capabilities to address all factory floor **Measurement, Control and Information Management** needs.

### Technical Services

- Project Management
- Systems Integration
- Electrical Engineering
- PLC Programming
- HMI Development
- Software Development
- CAD

Since 1985, **FACTS** has been a major provider of technology to key industry segments such as plastic & rubber, automotive, wire & cable, medical & pharmaceutical, packaging and material handling.

**FACTS** has delivered over 800 systems across 5 continents and provides 24/7 support using our own process knowledgeable engineers.

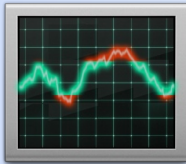

**FACTS** supplies new complete systems and retrofits for existing systems and has a broad range of applications and measurement experience.

**Applied Measurement**

**FACTS**

applies the best technology to meet the demands of our client's applications- We're transducer and supplier independent.

**Fixed Point Systems  
 Scanning Systems**

- Temperature
- Speed
- Thickness
- Profile
- Diameter
- Ovality
- Eccentricity
- Weight
- Flow/Rate
- Color

**Total Control Solutions**

**Application Experience**

- Extrusion process
- Injection molding
- Blow molding
- Calender process
- Batch mixing process
- In-line mixing process
- Thermoforming
- Coating/Laminating
- Sizing/Weighing
- Blending
- Feed control
- MATERIAL handling
- SCADA
- 21 CFR Part 11
- Hydraulic Systems
- Conveyor systems
- Packaging systems
- Drive systems
- Speed coordination
- Tension control
- Torque control

**Drives & Automation**

- AC, DC & Servo
- Allen Bradley
- Yaskawa
- Reliance
- Baldor
- Lenze
- SSD
- ABB

- Wonderware (Registered SI)
- FACTS** Control System
- Rockwell Software
- Automation Direct
- Allen Bradley
- GE Fanuc
- Eurotherm
- Intellution
- Siemens
- Resotec
- Omron
- B&R

**Information Systems**

- Data Collection
- Data Analysis Tools
- Reporting Systems

- Ticket Printing Systems
- Barcode Systems
- Inventory Management

- Microsoft SQL Server
- Microsoft Visual Basic
- Web Reporting Tools
- Crystal Reports
- MySQL

**Deliverables**

- System Solutions (Turnkey)
- Systems Integration
- Engineering Services
- Project Management
- On-site Commissioning
- Panel Building
- Retrofits
